

FOR IMMEDIATE RELEASE

Glassrock Corporate Center to Feature Retail, Office, Medical Facilities

-New Development in Fast-Growing Gilbert Ideally Placed in Medical Corridor-

Phoenix – November 7th, 2007 – Dmytro Development, LLC, announces Glassrock, a new Corporate Center that will feature retail tenants, Class A office space, and two Medical Office Buildings. Glassrock will be constructed in Gilbert, one of the fastest-growing towns in the U.S., and will be adjacent to several different medical facilities, creating a new medical corridor for the city.

“Glassrock Center will be part of an exciting addition to the City of Gilbert,” said Chris Burka, president and CEO of Dmytro Development. “There is a great demand in this area for top-notch medical care, and specialty retail attractions and services. Gilbert is a family-friendly, rapidly growing city and Glassrock will be ideally positioned in the center of this growth.”

Glassrock, situated at the intersection of Baseline and Recker Roads in Gilbert, will feature more than 50,000 square feet of retail space housing an attractive mix of specialty shops and restaurants. The Center’s three-story Medical Office Buildings, at 136,000 square feet combined, will house an array of medical specialties. The official groundbreaking for Glassrock Corporate Center will be held in mid-2008.

-more-

Dmytro has also announced another project, Rockpointe Center, to be built in nearby Chandler, Arizona. Both developments will seek LEED certification. LEED, or the Leadership in Energy and Environmental Design (LEED) Green Building Rating System™ is the nationally accepted benchmark for the design, construction and operation of high performance green buildings. LEED promotes a whole-building approach to sustainability by recognizing performance in five key areas of human and environmental health: sustainable site development, water savings, energy efficiency, materials selection, and indoor environmental quality.

About Dmytro Development, LLC

Contemporary, functional and environmentally superior development defines Dmytro. At Dmytro, pronounced “metro,” the “d” is silent – like our impact on the environment. We lead Phoenix with unparalleled, money-saving and environmentally sound 21st century office/retail/ residential development. All Dmytro projects are LEED certified (or rated) construction.
